

Ministry Description

Title: Evangelization Team Member

Servant Leader: Director of Evangelization

Description: Be a part of a team that develops and carries out evangelization programs.

Specific Tasks: Meet monthly to help create strategies for evangelization both within the parish as well as outside the parish.

Learn what evangelization is, why it is important and how to do it.

Share your faith with others and invite them to join our parish.

Help others within the parish to grow in their relationship with Jesus.

Help carry out the implementation of the evangelization programs which may include tasks such as hospitality, marketing, scheduling, speaking in public, teaching and sharing your faith story with others.

Skills or Attributes Required: A love of Jesus and His Church, a willingness to learn, a desire to share your joy both within and outside the parish, a personality that does not push people away.

Time Required: Varies but a minimum of 4 hours per month

Training: Previous evangelization experience is helpful but you will receive training

Benefits (How does it fulfill the parish mission): One of the Church's primary missions is to evangelize. Evangelized people leads to an evangelized parish which leads to an evangelized community. Evangelized people take the gospel message to heart and transform their lives and invite others to do the same. Evangelized people continue to grow in their relationship with God which is the whole point of evangelization and the Church as a whole.
