

2022-2023 FAITH FORMATION – DIRECTIONS AND SUPPLIES

As like every other formation year, we take precautions to prevent the spread any kind of cold, virus or bacteria. Students will still use hand sanitizer or wash their hands before class and after sneezing or coughing. Kleenex and hand sanitizer are in every classroom for their use.

Catechists and Aides have always washed tables and the back of chairs at the end of each class. Any used surfaces and door handles will be sanitized after each class time. Students are asked to be good stewards of our supplies and facilities. They are asked to help clean up at the end of class before they leave. Please have your child use the rest room at home before class if possible. Using the rest room takes a lot of class time for younger children. We understand that some children might need to use the rest room at Church during class and we will accommodate!
