At St. Gall we use incense from time to time in order to add greater solemnity and beauty to the celebration of the Holy Mass. Incense has a long tradition within Christian worship.

However, we are aware that some individuals are allergic or otherwise sensitive to incense.

We use a brand of incense that is supposed to be friendlier to those who are sensitive.

However, we understand that some will still find it difficult to be in the church when even this kind of incense is used. We apologize for any discomfort and inconvenience and we hope that, by publishing this calendar, you will be able to plan ahead and join us at a Mass where incense is not being used.

Thank you for being a part of our St. Gall parish community!

God bless,

Fr. DiTomo
