

Ministry Description

Title: Respect Life Coordinator

Servant Leader: Coordinator of Social Justice

Description: Coordinate respect life programs, recruit volunteers, raise awareness within the parish

Specific Tasks:

- Coordinate the baby bottle campaign
- Work with Faith Formation Director to get young people involved
- Coordinate the parish Life Chain event
- Work with the director of communications to promote the programs
- Develop new ideas for Respect Life efforts
- Keep up to date on current Respect Life issues

Skills or Attributes Required: The ability to encourage people to get involved. A deep belief in the truth that comes from the Church regarding “respect for life” issues. Basic organizational and communication skills.

Time Required: Varies based on availability and seasonal awareness programs

Training: Guidance from the Evangelization Director on getting the program going.

Benefits (How does it fulfill the parish mission): Life is the most basic gift that we receive from God. It should be respected, cherished and defended when necessary. We the Church need to publicly defend life, educate when possible and also offer alternatives to those who are tempted to give in to the culture of death.
