

2020-2021 FAITH FORMATION – DIRECTIONS AND SUPPLIES

Due to the guidelines for the COVID 19 virus, we will have some changes to this year's programs to help ensure everyone's health and safety. Students will use their own supplies for all classes. They are not sharing or passing out any items. Catechists and Aides will be following the recommended precautions of masks and using hand sanitizer. Surfaces and door handles will be sanitized after each class time. Please have your child use the rest room at home if possible. We will sanitize before and after children use the rest room. It would take too long if every student in a class wanted to go. We understand that some younger children might need to use the rest room at Church!
